Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Most Blatant Miscarriage of Justice In All Human History! Judiciary annals are full of examples of miscarriage of Justice. However, the trial of Jesus of Nazareth will remain the most blatant example of all. How could sinful men dare judge the Son of God? How could vile creatures arrest, judge and condemn Him by whom everything was created? How could men, condemned to hell, have the guts to judge and put to death He who had come to save humanity from eternal damnation? And what a death they subjected Him to! His trial was a real mockery - a parody of Justice! False witnesses were brought forward, voicing ridiculous testimonies. His judges did not quite well know how to deal with the situation! Pilate, the Governor, even declared he had found no guilt in Him! Yet, He was condemned and crucified! Why? Because God had so planned it that Jesus could die an undeserved death to save mankind from hell fire. But, that was only Act 1. Act 2 is very soon going to be staged when that same Jesus will judge the dead and the living! Are you ready to stand that trial, the outcome of which will be either eternal life in Heaven or eternal death in hell?.
