

Operational Lessons Learned in the Korean War (Paperback)

By U S Army Command and General Staff Coll

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.More than 60 years since the outbreak of war on the Korean Peninsula, the United States Armed Forces continue to stand by the soldiers, sailors, airmen, and marines of the Republic of Korea in an effort to deter further North Korean aggression. The purpose of this book is capture operational lessons learned during the Korean War that should be taken into consideration by operational planners as they prepare for future conflict on the peninsula. Looking at the Korean Peninsula s geography, weather and terrain, and place in the world highlight unique challenges operational planners will face. The strategic context of North Korea s proximity and alliance to China is important to understand and take into consideration during any operation in the region. China considers North Korea as a buffer protecting its region of Manchuria. Encroachment of this border by foreign forces is a threat to Chinese sovereignty. China s continued support of the North Korean regime is essential to their survival and must always frame the operational environment. The Korean Peninsula is subject to weather extremes, such as monsoons and...
